

## COVID-19 TESTING

**YOU, AS A PATIENT OF CROSS TRAILS MEDICAL CENTER, WILL NOT BE CHARGED FOR COVID-19 TESTING OR ANY SERVICES RELATED TO COVID-19 TESTING.**

Currently, all COVID-19 diagnostic tests are collected at Cross Trails Medical Center and sent to LabCorp to be processed.

**Insurance/Medicare/Medicaid Patients** – LabCorp will bill your insurance carrier for the COVID-19 by PCR and CTMC will bill for the collection of the COVID-19 specimen.

Federal law now requires all health insurers (except short-term plans) to cover all costs associated with COVID-19 testing without imposing any copays or deductibles and regardless of whether the provider is in-network.

**Self-Pay/Sliding Fee Patients** – The Department of Health and Human Services (HHS) will provide coverage for all costs associated with COVID-19, including testing and treatment, for all uninsured patients.
